

Do you question?

- Am I presenting the best me in all that I do?
- Can I efficiently find a job or career that is me?
- Do I know the right people to find a job, how do I do that?
- With all the stress, how am I to cope? I feel alone.

## The Dream Team

## The Dream Team

A group of professionals focusing on the sorority woman. Life skills for professional and personal growth, are presented as building blocks for future empowerment. All develop self-esteem and career preparation.

Beta Psi Chapter at Arizona State University

We present four professionals who offer wonderful insight and wisdom in the areas of - the KD Glow, Career and Business Online Quest, The Excitement of Awareness in Building Relationships, The Hidden Message in Suicide Prevention

**Alnisia Cruz**  
-  
**The KD Glow**

With 20 years of modeling to guide her, Alnisia leads sorority women to become their empowered, best selves. Her focus:

- Personal appearance/Glow.
- Etiquette and polish.
- How to speak well
- Rush specific guidelines

**Penny Pearl -**  
**The Career & Business Online Quest**

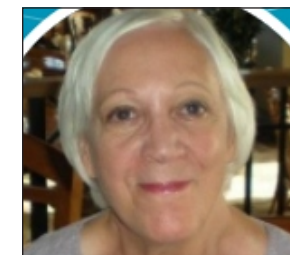

The **JOB BOARD JUNGLE** makes finding a career a grueling and inhumane experience. But, it inspired me to develop a system that **EMPOWERS** the career-seeker on **HOW** to build a solid network of quality relationships that lead to career opportunities and referrals. Career seekers, Students, Grads & Alumni can take the controls for their own career

Our in person and online sessions will delight, enhance, ignite your chapter into new perspectives about each young woman. For more information about each professional, contact Alum **Jacque Zoccoli** (KD Gamma Iota, San Jose State) at [Jacque@NetworkBuildersArizona.com](mailto:Jacque@NetworkBuildersArizona.com)
